SAT COURSE

Maximum 16 students

Eight 2-hour classes using Maine Prep TEN FOR TEN® curriculum.....	\$675
--	-------

Each student will receive up to three full essay analyses. In addition, students attending any current Maine Prep SAT Course will receive a 10% discount on private SAT I coaching until the end of the SAT season (spring, fall) for which their class is training. Unless private coaches agree to travel, such private coaching will take place at the company offices in Brunswick.

PRIVATE SAT COURSE*

Private groups of three or more students will benefit from taking our 16-hour course. These "boutique" courses, which are customized to the shared needs of the participating students, should be booked well in advance. *Prices upon request.*

Unless otherwise specifically agreed, "course" discount pricing for individual tutoring is available only to those who make a single "course" payment at or before the first session. If, for any reason, a student does not complete the full "course," Maine Prep shall apply the full fee that was current during the student's first class session to each individual session the student has attended and refund any remaining balance. Any sessions after a course is completed shall be charged at the current single session rate.

* Maine Prep will accept students for semi-private instruction only when it deems that those students share similar needs and so will benefit from such shared instruction.
